ANCHOR AUTOMOTIVE / SPRINGTOWN, TX

Maintenance planning worksheet

Use your exact vehicle manual and verified service history. This is not a universal replacement schedule.

Vehicle and usage

Year / make / model / engine

Current mileage / engine hours / date

Use: towing, short trips, dust, idling, highway

Manual or maintenance schedule source

Service planning record

Oil and filter: specification / last service / next due

Filters, belts and plugs: applicable items / last / next

Coolant and driveline fluids: specification / last / next

Brakes and suspension: inspection findings / next review

Review timing

Monthly / before trips: lights, wipers, leaks, fluid levels

At oil service: what is due, visible leaks, filters and condition

Next interval: follow the exact time, mileage or oil-life rule

Special use: confirm applicable towing, dust or idling guidance
